

Terms of Use of F-Secure Safe Anywhere Service

These Terms of Use of F-Secure Safe Anywhere Service, including any subsequent amendments we may make from time to time (“**these Terms**”), apply to your access and/or your use of F-Secure Safe Anywhere Service (“**Service**”; where the context requires, shall include the software in association therewith). By installing, downloading, accessing and/or using the Service, you agree to be bound by these Terms. If there is any inconsistency between the English and Chinese versions of these Terms, the English version shall prevail.

1. The F-Secure Safe Anywhere Service

- 1.1 The Service is provided by Hong Kong Telecommunications (HKT) Limited (“**HKT**” or “**we**”, and the terms “**us**” and “**our**” shall be construed accordingly), a partner of F-Secure Corporation, which is the provider of F-Secure Safe, the backbone of the Service.
- 1.2 The terms and conditions of your relevant Application and Service Guide (collectively, “**Application Form**”) in connection with your subscription to the Service, any other terms and conditions agreed by you in the course of our provision of the Service to you, these Terms and the Hong Kong Telecommunications (HKT) Limited General Conditions of Service (available at www.hkt.com/Terms+of+Use, including any subsequent amendments we may make from time to time) shall collectively form the contract for your use of the Service (collectively, “**Contract**”). In case of inconsistency between the provisions of the aforesaid documents, the inconsistency will be resolved in the descending order of preference set out aforesaid.
- 1.3 By using the Service, you agree to be bound by any applicable terms and conditions which may be imposed by such third party providers (such as F-Secure Corporation) when subscribing to the Service. You acknowledge and agree that you may also be required to enter into separate documents in relation to those parts or features of the Service provided by third party providers.
- 1.4 Before you install the F-Secure Safe Anywhere software (“**Software**”), you have to remove ALL existing anti-virus software from your computer or mobile device, otherwise you may experience problems in using your computer or mobile device and its software during and/or after the installation of the Software. We do not in any way warrant that the Service will be free from bugs or errors. You are responsible for implementing the requisite measures to protect your computer or mobile device and software. You agree that we will not be liable for any damage to your computer or mobile device, software or files due to or related to the Service.
- 1.5 The Service is aimed to detect and remove most viruses and spyware from infected files and your computer or mobile device once such infected files are opened. If any virus and/or spyware cannot be removed from any file, that affected file will be deleted. We will not be liable for any loss of files or data during such deletion process.
- 1.6 The Service is aimed to effectively detect and remove most viruses and spyware from your computer or mobile device, but we do not in any way guarantee the cleaning of ALL viruses and spyware.
- 1.7 The current version of the Service only works on PCs, Macs and Android mobile devices (smartphone and tablets).
- 1.8 The Service is not able to detect nor remove any virus infected email that does not have an attachment.
- 1.9 If the Service detects any virus or spyware which we are of the opinion that such virus or spyware would affect your computer or mobile device, we shall decide at our sole discretion whether to remove the relevant virus or spyware and/or take any other action as we consider appropriate.
- 1.10 You may terminate the Service by giving us not less than 30 days’ prior notice by submitting a completed termination request form at our HKT shops. The NETVIGATOR Services and the Service are non-severable services. If you terminate your NETVIGATOR Services, the Service will also be terminated at the same time. If the Service is terminated prior to the expiry of the commitment period of your NETVIGATOR Services or the Service (“**Commitment Period**”), you are required to pay us the relevant Early Termination Charges for the Service, as set out in your Application Form, and (where applicable) compensate us for the value of any premium received by you or the discounted amount of any premium you purchased.
- 1.11 At the end of the Commitment Period if (a) we are unable to contact you; (b) you do not contact us; or (c) you are undecided as to whether to renew your existing Contract, we will continue to provide the Service to you under the existing Contract on a month-to-month basis subject to payment of our prevailing charges after the Commitment Period until you terminate the Service by giving us not less than 30 days’ advance written notice.
